

Program Description

The purpose of this symposium is to provide the participants with a comprehensive review of issues related to Sedation and Analgesia. The first part of the program will encompass patient evaluation, basic airway management, pharmacological principles, pediatric considerations and monitoring. The day will finish with an expert panel for questions and discussion. The second half of the program will include discussions on the Joint Commission standards and their implications in patient safety, medicolegal considerations, and sedation credentialing. Breakout sessions will allow for learner's participation in decision making around sample cases. Important safety issues will be discussed by the faculty throughout the symposium.

Who Should Attend

This course is specifically designed for physicians and nurses who provide sedation and analgesia for patients during diagnostic and therapeutic procedures.

Learning Objectives

1. Describe the pre-operative evaluation and triage of adult and pediatric patients scheduled for procedural sedation and analgesia.
2. Discuss basic pharmacologic principles of medications used for sedation and analgesia and their clinical effects.
3. Review ASA guidelines for patient monitoring during sedation with a focus on early detection of problems.
4. Identify medicolegal issues surrounding procedural sedation and key components of patient safety during sedation.
5. Explain certification and credentials required to perform procedural sedation.

Accreditation Statement

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the Massachusetts Medical Society and the Massachusetts Society of Anesthesiologists. The Massachusetts Medical Society is accredited by the ACCME to provide continuing medical education for physicians.

AMA Credit Designation

The Massachusetts Medical Society designates this live activity for a maximum of 5.75 *AMA PRA Category 1 Credit(s)*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

1.00 credit meets the criteria of the Massachusetts Board of Registration in Medicine for risk management study.

Nurse Practitioners and Registered Nurses

For the purpose of recertification, the American Academy of Nurse Practitioners Certification Board and American Nurses Credentialing Center accepts *AMA PRA Category 1 Credit*[™] issued by organizations accredited by the ACCME (Accreditation Council for Continuing Medical Education). We would also suggest that learners check with their state licensing board to ensure they accept reciprocity with *AMA PRA Category 1 Credit*[™] for re-licensure.

AGENDA

Saturday, December 11th

8:45 a.m. Introductory Remarks
**Overview of Sedation for
Interventional Procedures**
Introduction Polls:
– What is your most important reason for
taking this course?
– What setting do you work in?
– Whom do you call to respond to an
emergency in your sedation workplace?
Lena E. Dohlman, MD, MPH
Assistant Professor of Anaesthesia
Harvard Medical School
Massachusetts General Hospital
Boston, MA

9:00 a.m. Pre-Procedure Patient Evaluation
Rafael Vazquez, MD
Associate Professor of Anaesthesia
Harvard Medical School
Massachusetts General Hospital
Boston, MA

9:20 a.m. Pre-Procedural Evaluation in Pediatrics
Cathie Jones, MD
Instructor of Anaesthesia
Harvard Medical School
Boston Children's Hospital
Boston, MA

9:40 a.m. Airway Assessment
Max M. Samimi, MD, MBA
Anaesthesia Resident CA 3
Massachusetts General Hospital
Boston, MA

10:00 a.m. The Challenging Patient
Rodger M. White, MD
Assistant Professor of Anaesthesia
Department of Anesthesiology
Massachusetts General Hospital
Boston, MA

10:20 a.m. Coffee Break

10:30 a.m. Pharmacologic Principles
Rafael Vazquez, MD
Associate Professor of Anaesthesia
Harvard Medical School
Massachusetts General Hospital
Boston, MA

10:50 a.m. Pediatric Sedation
Jue Teresa Wang, MD
Instructor in Anaesthesia
Harvard Medical School
Boston Children's Hospital
Boston, MA

11:10 a.m. Capnography Monitoring
Lena E. Dohlman, MD, MPH
Assistant Professor of Anaesthesia
Harvard Medical School
Massachusetts General Hospital
Boston, MA

**11:30 a.m. Anesthesia vs. Sedation: Delivering Value
in Interventional Medicine**
Rodger M. White, MD
Assistant Professor of Anaesthesia
Department of Anesthesiology
Massachusetts General Hospital
Boston, MA

11:50 p.m. Expert Panel – Questions and Discussion
Course Faculty

12:10 p.m. Wrap-up Day 1

12:15 p.m. Adjourn

Sunday, December 12th

12:00 p.m. Welcome Comments to Day 2
Jue Teresa Wang, MD
Instructor in Anaesthesia
Harvard Medical School
Boston Children's Hospital
Boston, MA

12:10 p.m. Safety and Medicolegal Issues
Richard D. Urman, MD, MBA
Associate Professor of Anaesthesia
Harvard Medical School
Brigham and Women's Hospital
Boston, MA

12:30 p.m. National Standards and Credentialing
Claire Seguin, DNP
Chief Nurse and Chief
Operating Officer
Martha's Vineyard Hospital
(MGH affiliate)
Oak Bluffs, MA

12:50 p.m. Breakout Group Discussions
3 groups; 15 minutes per session

1:40 p.m. Operational Challenges and Nursing
Claire Seguin, DNP
Chief Nurse and Chief
Operating Officer
Martha's Vineyard Hospital
(MGH affiliate)
Oak Bluffs, MA

2:00 p.m. Questions and Discussion

2:15 p.m. Closing Comments

2:20 p.m. Adjourn
